Major General William H. Draper, Jr.
Long Island Transit Authority
270 Broadway
New York 7, New York

Dear General Draper:

During General Smith's absence, I wish to reply further to his letter to you of January 5, 1952, concerning the employment of []

A careful review and evaluation of his qualifications have been made, but to date we have been unable to locate a suitable position for him. However, his application is being retained in our active file and should the picture change, we shall get in touch with him. [] has, of course, been informed of this.

I regret that I cannot give you more favorable information at this time.

Sincerely,

SIGNED
